#### 授業の目標 (Course Objectives)

This seminar in graduate thesis writing is intended for undergraduate students in their fourth year who are proceeding on to graduate study within the MIB program.

#### 授業の内容 (Course Contents)

Students registered in this seminar will research and write their graduate thesis in the field and theme chosen in their original undergraduate seminar. As shown in the notes section of this syllabus this seminar belongs to each of the following concentrations: marketing, management, accounting / finance, and communication. The thesis may be written in either Japanese or English and the language of instruction will vary by the content and field of the research involved.
