授業の目標 (Course Objectives)

This is an independent research program for studies in global and international business for inter-college (COB) exchange students.

授業の内容 (Course Contents)

- 1) The student must find a faculty supervisor who is willing to supervise a semester-long independent research project/course for the student.
- 2) The student must prepare a proposal of study including, but not limited to, the study objectives, the research topics, the reading list, the research methods, the proposed outputs, and the schedule.
- 3) The designated faculty supervisor will review the proposal and establish the evaluation criteria.
- 4) The supervisor will also determine whether the proposed study is equivalent to the 1, 2, 3 or 8 credit hours of classroom study. The student will be advised of which course number and section to register for.
