## 授業の目標(Course Objectives)

(1) Write a research paper in English.
(2) Learn the skills necessary to write a good research paper in English.
(3) Read a book written in English.
(4) Give a presentation.

## 授業の内容(Course Contents)

(1) Learn the skills necessary to write a good research paper in English.
(2) Read a lot.
(3) Write a lot.
(4) Work on one's research paper.
(5) Give a presentation.
There are plenty of opportunities for students to work independently, with a partner, and with a group. Students can work on several different writing activities such as brainstorming, drafting, and editing, as well as other activities such as reading model texts, discussing and doing exercises in class.
