授業の目標(Course Objectives)

- (1) Write a research paper in English.
- (2) Learn the skills necessary to write a good research paper in English.
- (3) Read a book written in English.
- (4) Give a presentation.

授業の内容(Course Contents)

- (1) Learn the skills necessary to write a good research paper in English.
- (2) Read a lot.
- (3) Write a lot.
- (4) Work on one's research paper.
- (5) Give a presentation.

There are plenty of opportunities for students to work independently, with a partner, and with a group. Students can work on several different writing activities such as brainstorming, drafting, and editing, as well as other activities such as reading model texts, discussing and doing exercises in class.
