授業の目標(Course Objectives)

This course explores fundamental political concepts such as power, reconciliation, peace, and coexistence in a range of contexts and at a variety of levels. The course encourages dialogue and debate, promoting students the capacity to interpret theories and case studies in local and global issues to ensure a transnational perspective.

授業の内容(Course Contents)

This course has some basic goals including:

1. To familiarize students with some fundamental political concepts such as power, reconciliation, peace, and coexistence in a range of contexts and at a variety of levels;
2. To encourage students the capacity to interpret theories and case studies in local and global issues to ensure a transnational perspective; and
3. To help students develop an in-depth understanding of national, regional, and global dimensions of political relations and interactions by shedding particular lights on non-state actors such as human agency, nongovernmental organization, and local dynamics and to think creatively about alternatives in global politics.

授業計画(Course Schedule)
